# About Institute

**Parikrama Diploma in Pharmaceutical Sciences, Kashti**, established in 2014 under a public trust, is committed to delivering value-based, student-centric education to aspirants from both urban and rural regions of Maharashtra. Within a short span, the trust has created a strong network of educational institutions, ranging from pre-primary schools to professional colleges.

The Diploma course in Pharmacy commenced in 2014 with a clear vision—to provide high-quality pharmaceutical education that is accessible and affordable to the common people. Our institute strives to nurture competent pharmacy professionals equipped with the knowledge and skills required for the industry. We focus on offering students the best possible industrial exposure by:  
Organizing guest lectures by renowned industry professionals,  
Facilitating hospital visits and industrial tours,  
Providing hands-on training and workshops to bridge the gap between academics and industry expectations.

To ensure career readiness, we are actively planning campus recruitment drives every year, with a focused goal of achieving **100% placement** for students aspiring to enter the workforce upon course completion.

## ❖ *Vision* -

To develop as a center for Pharmaceutical Education by providing knowledge, skills, and attitude in students to make them proficient Pharmacists.

## ❖ *Mission*

**M1:** providing necessary knowledge to students for making them proficient and skilled professionals.

**M2:** Improving linkage with hospitals, Industries, Alumni and the society for Employability

**M3:** Bringing revolution in education by providing quality education

## Karmaveer Bhaurao Patil Birth Anniversary

Karmaveer Bhaurao Patil (22 September 1887-9 May 1959), born in Kumbhoj, Kolhapur, was a social activist and educator in Maharashtra, India. A strong advocate of mass education, he founded the Rayat Education Society. Padmabhushan Dr. Karmaveer Bhaurao Patil is considered as one of the greatest personalities who has contributed in the formation of modern Maharashtra. He realised that the education is an important tool for social change. According to him, the country would not make progress unless education reaches to the masses in the remote and rural areas. Karmaveer Bhaurao Patil founded the Rayat Shikshan Sanstha in 1919 and setup an educational movement for the upliftment of the masses. He inculcated the value of labour among the students by implementing 'Earn and Learn Scheme' and made the successful attempt to strengthen the educational process through the motto of Rayat Shikshan Sanstha i.e. - "Education through self-help is our motto." Through the Rayat Shikshan Sanstha, he imbibed the great principles of equality, brotherhood, value of labour, social integrity, etc. among the students and tried to dignify the labour and social equality. This information is given by Ms. Pratiksha Shinde in his speech. Some students also gave speech on his lifestyle.

Pharmacists Life...Behind the  
counter, day and night, Pharmacists  
work with all their might. With  
careful hands and a thoughtful mind,  
They help to heal, they help to find.  
Through prescriptions, doses, and  
care, They guide us through when  
life's unfair. With knowledge vast,  
they ease our pain, A pharmacist's  
work is never in vain. They stand as  
guardians of our health, A silent  
strength, a quiet wealth. In every pill,  
in every line, A pharmacist's life is  
intertwined.

In quiet aisles where medicines wait,  
Pharmacists work, a healing fate.  
With careful hands and wisdom deep,  
They guide us through when illness we keep.  
Pills and potions, lotions and creams,  
Each one crafted to fulfill our dreams.  
They listen close, with hearts so kind,  
To ease the body, soothe the mind.  
A remedy found with each expert dose,  
In pharmacies, health's path we chose.

Medicines for life, care in every  
strife, Healing hands that mix,  
and pills that bring new life.  
In the pharmacy's walls, a helping  
heart does beat, Where health and  
hope entwine, and healing souls  
meet. In bottles lined with care,  
so neat, Medicines cure with  
every beat. A pharmacist's  
hands, steady and true, Healing
